INFORMER

June 2016

Welcome to the latest Informer. I would like start by wishing anyone who is about to sit examinations all the very best. Be they school, college, university or professional, you will have done all the studying. Now as you sit, you carry lots of good wishes with you. On completion you will, hopefully, be able to relax a little, maybe even take a short break. My next comment is open to everyone; I want you to consider going MAD. In this context MAD means Make A Difference, throughout our lovely village there are a huge number of activities, ranging from Toddlers to History. Every activity is driven by volunteers, who contribute to ensure that everything works to its best potential, and these committed people really do make a difference. Is there something that you can do, something you may feel would benefit the village as a whole? There is always room for more willing volunteers. David Gregory, Chairman

Multi-Sports Camp – Spring Bank Tuesday 31 May to Friday 3 June 2016

This is a popular multi-sports camp for school age children during the school holidays and is partially subsidised by the Parish Council. For those who have been before, you will know that it's run by the 'megaactive' team from RMBC. Full day is £6 per child, £3 for half day.

There is a Supersaver discount -

£18 if all four days are booked and paid for in advance

£20 if all four days are booked and paid for on the first day

Please help us identify the number of coaches needed to supervise the children by booking in advance if possible. Please call 01709 363355/822453 or email: sportsdevelopment@rotherham.gov.uk for more details.

Fly Tipping

If you see any rubbish which has been thoughtlessly dumped, you can report this by contacting Rotherham Borough Council's Streetpride division on 01709 336003. Obviously the sooner such things are reported, the quicker they are dealt with.

Todwick Church Garden Gang

A lot of hard work was carried out last year to deal with overgrown graves and borders. The results were outstanding and the church yard is now looking very different. Experience or tools are not required. Refreshments will be provided to sustain the willing.
